DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The amendment filed on 7/26/07 is unsigned or contains an improper signature in accordance with 37CFR 1.4(d)(2)(i). Firstly, the S-signature /i/ is not consistent with the name of Applicant's representative, Alan Heimlich. Secondly, accordance with 37CFR 1.4(d)(2)(ii), "the signer's name must be (B) Reasonably specific enough so that the identity of the signer can be readily recognized." The S-signature /i/ is not specific enough so that the identity of the signer can be readily recognized. Therefore, the signature is improper.

This Communication does not and will not reset the time period for filing a response perviously set forth. The time period set in the pervious Notice of Non-Compliant Amendment mailed on 9/14/07 remains. Applicant is given one month, or thirty (30) days, whichever is longer, from the mail date of the pervious Notice of Non-Compliant Amendment mailed on 9/14/07. Extensions of time are available under 37 CFR 1.136(a).

/John Rivell/
Primary Examiner, Art Unit 3753
